Meto Range

The **METO EAGLE** is the latest in a line of labellers trusted for more than 50 years. Designed in Germany, with ease and flexibility of use considered foremost, the METO EAGLE offers many highlights:

- The latest ergonomic design for comfortable use.
- Patented Universal Pressure Device provides consistent print quality.
- Simple, clean label and ink roller changing.
- Traditional METO users can continue to use their favourite labels.

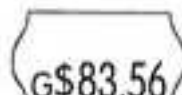

METO
